

**GEAG Art Exhibit at the Gov French Gallery**  
**223 West Main Street, Belleville, IL**  
**“Local Treasures”**

The Gov. French Gallery is part of the Gov. French Academy, which has a display area with large windows facing Main St. It is a historic building with the original tin ceiling and hardwood floors.

There is no charge for exhibit entry, but a 20% commission will be charged on work sold with the sales handled between artist and buyer. The display space will accommodate approximately 30 pieces. Entries are one piece per artist first come, first accepted.

Exhibits committee will hang the artwork and will install wall tags. There will be a handout with artist contact information and prices.

All paper and canvas artwork must be properly framed with braided picture wire for hanging. If you are entering 3-D art that requires support, you must provide your own pedestal or table at least 36” tall with professional appearance.

GEAG and Gov. French will take all reasonable precautions, but you must be willing to accept the risk for your artwork. Although there will be no review for acceptance in the show, artists are reminded that the venue is attached to a school and work should be appropriate for the site.

Requirements:

- Exhibitors must be GEAG members
- Size limits: framed artwork must not exceed 32” on any side, including frame.
- Complete the application form provided below
- Bring completed form to the GEAG meeting **April 5, 2017**; e-mail to [kunzs@yahoo.com](mailto:kunzs@yahoo.com) by **April 24, 2017**; mail to Susan Kunz, 13270 Lee Road, Trenton, IL 62293 postmarked by **April 24, 2017**
